## LS2208 Laser Barcode Scanners

### Handheld Laser Scanner

The innovative Symbol LS2208 barcode reader delivers performance features at an affordable price to make your buying decision easier than ever. If you're seeking investment protection and great value in a small, light scanner that assures maximum productivity, then the Symbol LS2208 barcode reader is the ideal scanner for you.

Getting started with the Symbol LS2208 barcode reader is fast and simple with 123Scan setup utility. This easy-to-use tool reduces startup time and costs wherever the scanner is used. To further save you money, the scan element in the Symbol LS2208 barcode reader is based on a liquid injection process that delivers integral shock protection, providing durability you can count on. These powerful features enable you to reduce downtime and keep maintenance costs to a minimum.
